WE LOVE CUSTOMER FEEDBACK

"We'd like to thank Hays Travel for the wonderful Caribbean cruise we recently experienced onboard Ventura. We were delighted that Hays Travel had their own dedicated flight to take us straight from our home airport of Newcastle and from the moment we arrived at the airport we were treated like royalty and it was all thanks to Hays.

"We thoroughly enjoyed the drinks reception they provided for us on the ship and the little extras they gave us. We can't wait to book our next trip!"

John and Jenny Swinney,
who travelled with us on the P&O Ventura
in November 2010

As a family-run company, we prefer a more personal style of service. Our smaller, more intimate ships help to create a convivial and more sociable atmosphere on board, places where lasting friendships are forged with fellow passengers and crew alike. More country house hotel than flashy Las Vegas style resorts; guests can put their feet up and take an altogether more considered view of the world. Everything is designed to make our stylish, contemporary ships feel just like a home-from-home, where everyone can relax and just be themselves.

Isn't it time you discovered the Fred. Olsen difference!
