## Suite with balcony

Surrounding you with luxurious accommodations, a spacious suite with balcony includes all the amenities of a mini-suite, plus incredible

premiums. These include luxury balcony furniture, deluxe canapés, fresh flowers, DVD/CD player, free access to a DVD library, two flat-panel TVs, one complimentary mini-bar setup, upgraded bathroom amenities, laundry and professional cleaning services, and web access in the Internet Café. Approximately 460 to 932 square feet, including balcony. Family suites that sleep up to eight passengers are available on select ships.

## Mini-suite with balcony

A mini-suite with balcony is substantially larger than a balcony stateroom.

It includes all the amenities of a balcony stateroom and these added luxuries: welcome glass of champagne, separate sitting area, sofa bed, luxury mattress and pillows, two flat-panel TVs, a spacious closet, desk, bathroom tub and massage shower head. Approximately 323 square feet, including balcony.

## Balcony

This impressive stateroom offers the elegance of a balcony with fine patio

furniture. Other amenities include a spacious closet, desk and a bathroom with shower. Approximately 214 to 279 square feet, including balcony.

Note: On Royal Princess, a **Deluxe Balcony** stateroom is available that includes a sofa bed and other amenity upgrades.

## Oceanview double

Our oceanview stateroom includes all the amenities of an interior double, plus it features a picture window, providing

added ambience and memorable views. Approximately 146 to 206 square feet. Deluxe Oceanview, a larger version of the Oceanview double is also available on select ships.

Note: Some categories have portholes versus picture windows. Some staterooms are partially to fully obstructed, as shown on deck plans.

## Interior double

Our interior stateroom is a great value. It features two twin beds that make up into a queen-size bed. Other

amenities include a refrigerator, hair dryer, TV, closet and bathroom with shower. Approximately 158 to 162 square feet.

Note: Floor plans, amenities and stateroom diagrams represent typical arrangements and may vary by ship. Certain stateroom categories may vary in size and configuration by ship. Square footage varies based on stateroom category and deck location. Stateroom views are considered unobstructed unless noted otherwise. Obstructions do not include certain nautical items like handrails, dividers or ship hardware. For balcony staterooms, the view is determined from the perspective of the balcony railing. Balconies may have either solid steel or glass railings. Upper berth and bed ladder capacities are 250 lbs. Staterooms that can accommodate rollaways have two lower berths, one upper berth and can accommodate a fourth berth as a rollaway bed upon request at time of reservation. There are a limited number of rollaway beds per ship, per voyage. Use of rollaway beds restricts cabin space.
