Aurora is a truly world-class ship. Following the influence of her extensive travels, her stylish and cosmopolitan interior reflects an affinity for foreign shores. Offering a taste of the authentic, she blends very modern comfort with some of the classic elements of an original British cruise experience. At her heart is a Lalique-inspired waterfall which forms the centrepiece of her atrium- one of her signature features. When it comes to bars she offers a variety to suit every mood including her Crow's nest bar, which offers great panoramic views along the way, Champion sport's bar and Anderson's with its rather sophisticated wood panelled walls. Her dining options include her two main restaurants, as well as a bistro by Marco Pierre White and an al fresco grill restaurant.
