## Great Prices – Book Now to Save

Our 2013/14 Pre-Launch Offers mean you can **book early and save** with reduced prices. The following pages show the **Pre-Launch Offer price for each cruise if you book by 26<sup>th</sup> April**, along with the higher price that will be charged from 27<sup>th</sup> April. Prices are lower than they will be on launch of our Worldwide brochure, so this really is the time to confirm your holiday.

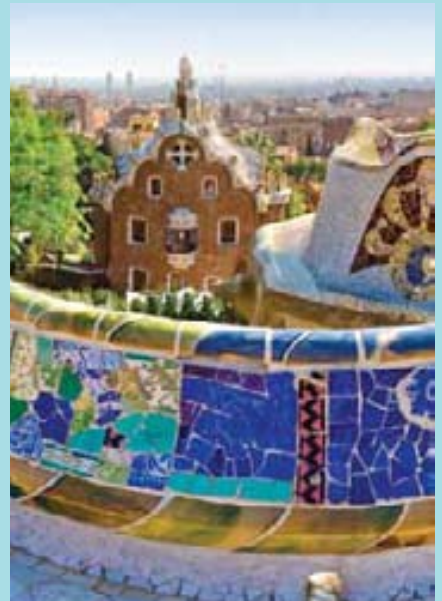

## From a Port Near You...

At Fred. Olsen we want your holiday to be relaxing every step of the way – and that starts with the convenience of departures closer to home. For 2013/14, we are operating an expanded programme of regional departures, featuring eight ports all around the UK. And with our new Winter Sun fly-cruises you can depart from Gatwick and Manchester, or book a cruise only and choose your own flights to Tenerife from a wide choice of airports. So you won't have to travel far to enjoy Fred. Olsen's special style of cruising, making a more enjoyable start and end to your holiday.

## ...To Destinations Worldwide

Along with effortless relaxation, a Fred. Olsen cruise is all about inspiration and excitement: a highlight of every Fred. Olsen cruise is the mix of wonderful destinations that can be enjoyed in one holiday. Each year we create new, intriguing itineraries, along with popular favourites.

Highlights of our new 2013/14 cruise programme include a 28-night Greek Odyssey on *Black Watch*, a 17-night exploration of undiscovered Lapland from Harwich, 10 nights visiting the highlands and islands of the British Isles and a month-long, indulgent sailing of the Caribbean on *Balmoral*. And of course, there are short breaks, week-long holidays to Norway, two week sailings to the Baltic, Europe or the Med, fly-cruises to the Canaries, the Cape Verdes and Africa.

## Enjoy Cruising, Fred. Olsen Style

The size advantage of our smaller ships means they can take you places that some of the mammoth cruise ships can't, including some of the world's most beautiful cities and breathtaking landscapes.

Fred. Olsen's, more intimately-sized ships help to create a warmer, friendlier atmosphere with a distinctly British style. Guests and crew quickly get to know each other and soon everyone feels comfortable and at home.

Our long-serving, experienced crew instinctively know how to take care of our guests – and they understand it can often be the little things that can make a cruise so special.

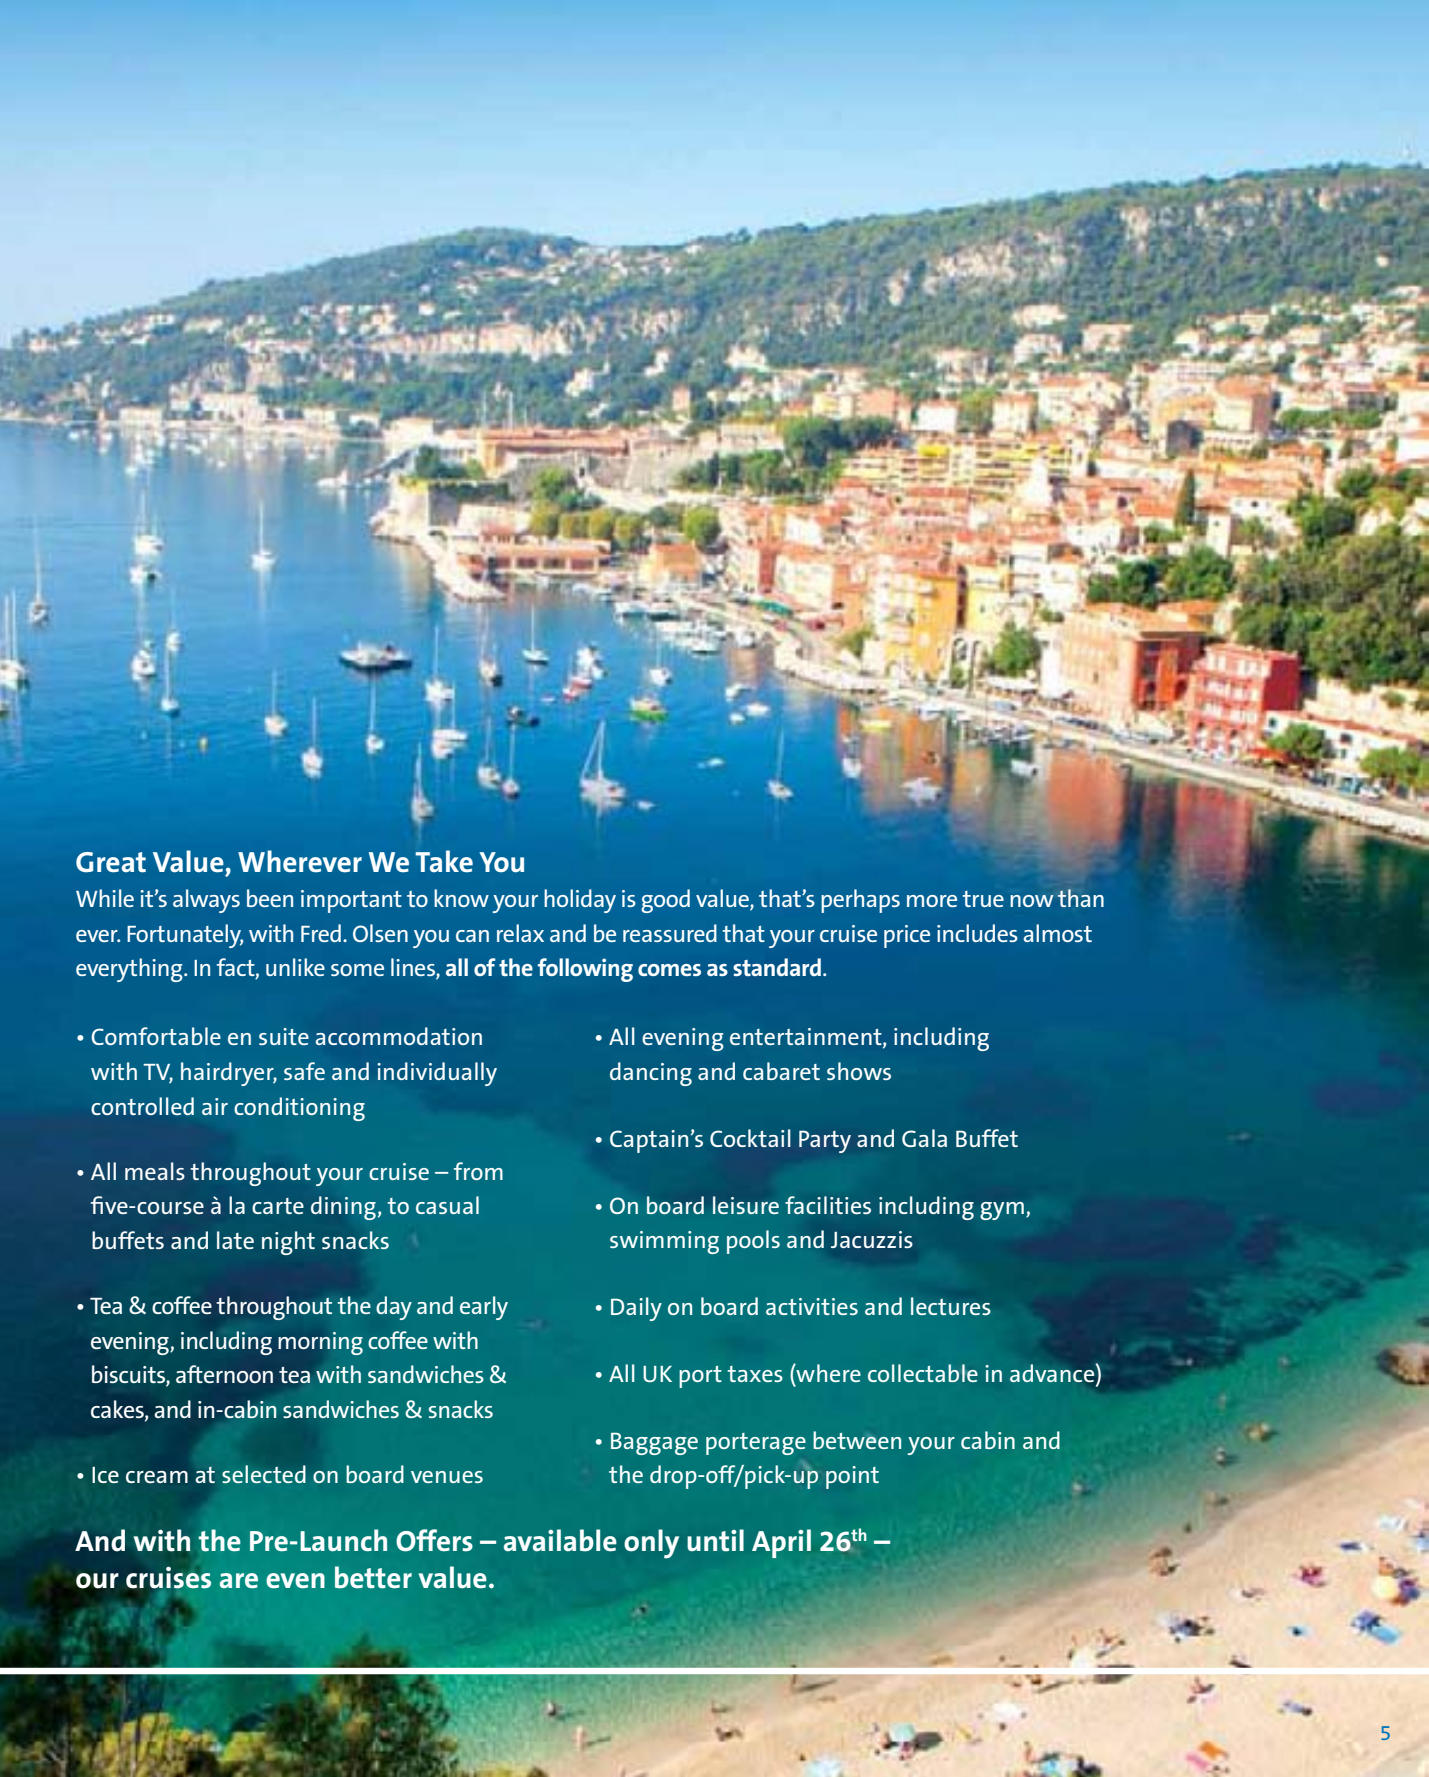

## Award-Winning Holidays

As a family-managed company with a proud Norwegian sailing heritage we take a longer-term view of things, knowing it's making the extra effort that keeps customers coming back: that's why last year more than half our passengers had travelled with us before. This is not only reflected in the many kind comments we receive about our staff, it's shown in the awards we win too.

In 2011 we were voted **Cruise Line of the Year** by the readers of *Cruise International* magazine, as well as winning **Best Educational Cruise** for our *Vistas* cruise enrichment programme, **Best Live Performance** for *The OperaBabes* as part of our *Music & Laughter* season and commended in the **Best Value Cruise Line** category too. In both 2010 and 2011 we were voted **Mainstream Cruise Company of the Year** in the *Travel Agents Choice Awards* and awarded **Best Cruise Line for Seeing the World** in the *Cruise Critic Awards*.

We're delighted that our warmer, more personal style of cruising is preferred by so many people.

## Great Value, Wherever We Take You

While it's always been important to know your holiday is good value, that's perhaps more true now than ever. Fortunately, with Fred. Olsen you can relax and be reassured that your cruise price includes almost everything. In fact, unlike some lines, **all of the following comes as standard.**

- Comfortable en suite accommodation with TV, hairdryer, safe and individually controlled air conditioning
- All meals throughout your cruise – from five-course à la carte dining, to casual buffets and late night snacks
- Tea & coffee throughout the day and early evening, including morning coffee with biscuits, afternoon tea with sandwiches & cakes, and in-cabin sandwiches & snacks
- Ice cream at selected on board venues
- All evening entertainment, including dancing and cabaret shows
- Captain's Cocktail Party and Gala Buffet
- On board leisure facilities including gym, swimming pools and Jacuzzis
- Daily on board activities and lectures
- All UK port taxes (where collectable in advance)
- Baggage portorage between your cabin and the drop-off/pick-up point

**And with the Pre-Launch Offers – available only until April 26<sup>th</sup> – our cruises are even better value.**

# THE CANARY ISLANDS & AFRICA from £84 per person, per night

With sunshine and a temperate climate year-round (even in winter, the average temperature is around 18 – 20°C) the weather in the Canaries is always reminiscent of long lost summers. The warmth creates the perfect growing climate for a beautiful range of flora and fauna and the friendly locals know how to make the most of the breath-taking scenery – ranging from the spectacular to almost lunar – varied architecture and many beaches. Complement all this perhaps with a plate of freshly caught, grilled fish and all you have to do is sit back and soak it all up.

# GET STRAIGHT TO THE SUN

with a Fred. Olsen Fly-Cruise

## Sail to Africa, Morocco, the Cape Verdes and the Canary Islands from an airport near you

Cruising in a warm climate is always appealing, though never more so than when the weather back home is cold and grey. And now you can get directly to the warm waters of the Canaries, Morocco, Africa and the Cape Verde Islands with Fred. Olsen's winter sun fly-cruise holidays.

Only a few hours after leaving rainy Britain behind, you'll be sailing in fine style as *Braemar* cruises to fascinating, distinctive ports of call, a world away from the wet, grey UK.

## Get further, faster

It's possible to escape to southern climes within a very convenient two-week holiday: the time saved by flying to Tenerife means the itinerary can reach more varied and intriguing ports of call, including Mindelo and Praia on the Cape Verde Islands, Agadir in Morocco, Dakar (Senegal) and Banjul (The Gambia): names that are as evocative as they are exciting.

## *Braemar*: made for warm-weather cruising

As soon as you step on board, you'll find *Braemar* is made for warm-weather cruising: the generous outside space includes a sun deck with pools, Jacuzzis, bar and cascading rear decks; perfect for relaxing, a few drinks or lunch al fresco, while the ocean passes beneath you. Along with all our fleet, *Braemar* has the smaller scale that can take you right to the heart of destinations and the more intimate size helps to create the warmer, more friendly atmosphere that's known as 'the Fred. Olsen difference' too.

# WINTER SUN FLY-CRUISES

from **£86** per person, per night

## Flights from airports across the UK

At Fred. Olsen Cruise Lines we aim to make every element of your cruise as easy as possible – and that includes joining your ship too. So you can either be whisked to Tenerife on one of our charter flights from Gatwick or Manchester with transfers waiting for you on arrival, or book a cruise-only holiday and arrange your own flights from your local airport. There's an almost endless choice of departures to Tenerife from around the UK, including Birmingham, Bournemouth, Bristol, Cardiff, Doncaster, Edinburgh, East Midlands, Exeter, Glasgow, Norwich, Liverpool and Newcastle\*. And with many flights available from low-cost carriers, the prices won't break the bank either.

## Great cruises at great prices

The new winter sun fly-cruise programme to North and West Africa, the Canaries and the Cape Verdes is currently available with very special Pre-Launch Offer prices, representing superb value.

Whether you book the full package with Fred. Olsen, or you choose the cruise-only option – so that you can arrange flights and transfers that are most convenient for you – these are wonderful holidays at prices that are hard to beat.

All offers are subject to availability, so now's a great time to book. Don't miss out – call to confirm your Fred. Olsen fly-cruise today!
